

- Sun-Dome doesn't just bring natural light into your home or business. We also bring the health benefits that are associated with daylighting.

- Daylighting has been proven to increase concentration, improve mood, productivity, and overall mental health.

- Sun-Dome has been producing high quality daylighting solutions for over 18 years.

- High Customer Satisfaction Rate

- Guaranteed #1 Customer Service

- Approved by many well respected Architect and Engineering firms around the world

- Sun-Dome Tubular Skylights have been used in many educational Institutes, Military Bases, Municipality Buildings, Public Works, and Residential Homes

- Sun-Dome is located in the heart of the "Sun-Shine State": West Palm Beach, Florida. Our strategic location has allowed us to use the vast amount of sun here to develop a line of products that are the most efficient in the industry.

Made in the USA

Two 21" Tubular Skylights provide 38 f.c. to this workroom desk at Palm Beach State College
